

GARDEN CENTER ASSOCIATE

FULL-TIME - SEASONAL - LONG-TERM

Reports to: Garden Center Lead

Horsford's retail garden center is like a botanical garden, complete with stunning display gardens and antique glass greenhouses. Garden Center Associates assist customers with selecting the best plants for their landscape. Associates keep plant displays tidy, restock plants, and operate our computerized point of sale system.

Botanical knowledge or work experience in a garden center selling hardy trees, shrubs, and perennials is a benefit. Willingness to cross train in order to assist other departments is a plus.

Associates have excellent customer service and genuine interest in horticulture. It is important to be clean, courteous and physically fit, as you'll be walking miles a day in all types of weather.
